

Probationary Status:

- Probationary Status is a period that all Organizations must go through before becoming an official SGA-funded Organization.
- An organization becomes eligible to request probationary status if at least one academic quarter has passed since the organization gained approval from the student affairs committee.
- The probationary status can be achieved through a simple majority vote of the Student Government Senate.
- Probationary Status is 20 weeks (2 quarters).
- An organization in probationary status can receive a probationary budget provided by SGA.
- The probationary budget cannot exceed \$1000.
